

Aurelle

PINOT NOIR Santa Barbara County

Aurelle embodies the warmth of the California sun and the beauty of the Golden poppy, our state flower. With a bottle and wine as stunning as the flower itself, we pay homage to the beauty of nature. A blend of exceptional hand selected vineyards in Santa Barbara County lead to a style that harnesses the plush, fleshy textures of SB County Fruit with the bright, fresh notes of the cooler coast.

The sunny days allow the grapes to develop rich, complex flavors, while the cool nights help maintain their natural acidity and balance. This perfect combination results in wines that are both vibrant and elegant, capturing the essence of these region's terroir and this beautiful flower. Aurelle's Pinot Noir is a true reflection of this luxurious varietal resulting in a wine that is fresh, bright, and velvety smooth.
